

R.E. Chaix & Associates Goes Live with I-Engineering's ALIS Enterprise System

A Next Level Agency Management System Launched by an Elite MGA in California

Shelton, CT, June 20, 2018 – I-Engineering, Inc. is pleased to announce the launch of the ALIS Enterprise System with R.E. Chaix & Associates Insurance Brokers, a premier insurance underwriter serving the California marketplace. I-Engineering's ALIS is the next generation Agency Management System which provides a fully integrated Rating Engine with Web Services, Policy Issuance and Management, Renewals, Endorsements, Cancellations, Reinstatement Claims, Workflow, Document Management and Reporting as well as a full Accounting module.

Timothy Chaix, President of R.E. Chaix & Associates said, "We are thrilled to be live with ALIS as our technological foundation. ALIS is a game changer for how we do business, giving us the speed and efficiency to serve our business partners with the highest level of service and attention to detail."

"I-Engineering has been very attentive to our needs and has worked closely with our team to develop and implement a software solution that will advance how we serve our clients," Chaix explained. "I'm excited about the potential for more growth now that we have such a powerful agency management system, saving us time and simplifying our internal process."

"We can now offer new products to our customers much faster and effectively. The system's flexibility and expansion capability were key factors for our decision to select I-Engineering's enterprise system – ALIS," said Chaix.

Naval Kapoor, President and CEO of I-Engineering said, "We are excited that R.E. Chaix has joined a growing number of firms now using ALIS. The strength and depth of ALIS functionalities will enable R.E. Chaix to grow in this existing market and new markets. This powerful platform will bring speed and efficiency into R.E. Chaix's operations throughout their offices."

"We are proud to have partnered with R.E. Chaix to provide the technological platform to advance their company's growth and help them exceed their clients' expectations," Kapoor added. "We strive to provide our client-partners with the highest level of customer service as we develop their customized agency management system and bring it live. Our work with R.E. Chaix has been very rewarding and we are eager to serve as a vital component of their continued success."
