

DeCotis Specialty Insurance is Live with I-Engineering's ALIS Enterprise System The Premier Agency Management System Launched by a Leading Wholesale Insurance Broker of New England

Shelton, CT, May 20, 2019 – I-Engineering, Inc. is pleased to announce that DeCotis Specialty Insurance of Providence, RI is live with the ALIS Enterprise System. DeCotis Specialty Insurance, a leading wholesale insurance broker serving New England, has launched multiple I-Engineering technology solutions, including a customized rater named Prizm. DeCotis Specialty Insurance has partnered with I-Engineering to completely reinvent how they utilize technology to better service their business partners. I-Engineering's ALIS is the complete Agency Management System which provides a fully integrated Rating Engine with Web Services, Policy Issuance and Management, Renewals, Endorsements, Cancellations, Reinstatement Claims, Workflow, Document Management and Reporting as well as a Full Accounting Module. This system can be interfaced with third party systems via API or XML transfer.

Tom DeCotis, CEO of DeCotis Specialty Insurance, is pleased that I-Engineering's multifaceted ALIS System Platform has allowed them to quickly bring new products to market, while raising their efficiency to the next level. "Having ALIS as our technological foundation has greatly improved how we service our agents," DeCotis said. "ALIS gives us the framework to provide the highest level of service to our business partners. The improvement to our speed and efficiency, and the incredible level of attention to detail it gives us, is a real game changer. We can provide submission clearance, rating, policy issuance and financial accounting, so much more efficiently. The ALIS platform gives us that flexibility to continue to grow our business and give our agents the highest level of service."

Jocelyn Dewey, CUO of DeCotis Specialty Insurance, explained, "I-Engineering has worked closely with us throughout the data migration and administrative set up process. Our implementation and account managers have essentially become an extension of the DeCotis team. We are excited about what the future holds for us on the ALIS Enterprise System through possible integrations and enhancements I-Engineering has planned and look forward to a long and successful business relationship."

Naval Kapoor, President and CEO of I-Engineering says, "It has been an honor to partner with DeCotis to bring them the ALIS Enterprise System as the solution to meet all of their encompassing technology needs. Our collaboration with their customized rater, Prizm, represents another advancement for I-Engineering in providing for the evolving needs of our clients. It is gratifying to know that our comprehensive and intuitive agency management system is already having a huge impact on the quality, speed and efficiency of their business. Our entire team at I-Engineering strives to provide our clients with the highest level of customer service and we look forward to our continued relationship with DeCotis, now and as their needs change in the future."

About DeCotis Specialty Insurance, Inc.

DeCotis Specialty Insurance was founded in 1989 when a large surplus lines insurance wholesaler was looking to open an office in the state of Rhode Island. As a Rhode Island native, Paul DeCotis relocated back to his home state to lead the effort. That effort was met with much success, showing continued growth, year after year. Then, in 2007, we opened a second branch in the Boston area to respond to the repeated growth we saw with our Massachusetts and Northern New England retail agents. Today, DeCotis continues to thrive and we have expanded our footprint well beyond our humble New England roots. To learn more, visit www.decotis.com.

About I-Engineering, Inc

Since 1999, I-Engineering has worked with MGAs, Wholesalers, Program Administrators and Carriers to implement customized P&C insurance software solutions that enhance productivity and speed to market. Our product offering includes an all-encompassing Agency Management System, Policy Management System for London, Program Administration System and customized Comparators for Commercial & Personal Lines.

I-Engineering, located in Shelton, CT, develops and markets Integrated Insurance Solutions to provide MGAs and Wholesalers with a modern, technologically friendly working environment. We have created and implemented a sophisticated collection of cutting-edge insurance software solutions. I-Engineering’s ALIS Enterprise System – an all-in-one solution – provides Rating with Web Services, Quoting, Policy Issuance and Management, Workflow and Document Management and Full Accounting. A sophisticated agent portal is integrated with ALIS to allow producers to get quotes on a real-time basis. This fully integrated system provides MGAs and Wholesalers end-to-end solutions.

I-Engineering is a proud member of many P&C insurance organizations, including Target Markets, WSIA, CIWA, FSLA, PIA & TSLA. To learn more, visit www.i-engineering.com.
