

FOR IMMEDIATE RELEASE

## JIMCOR AGENCIES GOES LIVE WITH I-ENGINEERING'S ALIS ENTERPRISE SYSTEM *A Brand New Agency Management System Lights the Path for Success*

**Shelton, CT, December 1, 2014** - I-Engineering, Inc. is pleased to announce the launch of the ALIS Enterprise System with Jimcor Agencies of Montvale, New Jersey. ALIS - The All Lines Insurance Suite Enterprise System is the next generation Agency Management System which provides a fully integrated Rating Engine with web services, Policy Issuance and Management, Renewals, Endorsements, Cancellations, Reinstatement Claims, Workflow, Document Management and Reporting as well as a full Accounting module. This system can be interfaced with third party systems via API or XML transfer. The State Compliance module is integrated with state SLIP systems and real-time validation is provided.

Jim Mastowski, Co-CEO and CIO of Jimcor Agencies said, "ALIS went Live in December at Jimcor. ALIS is a powerful Agency Management System that will enable us to streamline many of our internal processes ensuring our continued success for years to come. For the last few weeks we have been training our staff to use this system and working with I-Engineering through this implementation process. I-Engineering's customer service has been an exemplary during the process."

"This is truly an exciting and memorable time for Jimcor," said Coryn Thalmann, Co-CEO and COO of Jimcor Agencies. "With ALIS we can now perform rating, policy administration and issuance, imaging and accounting functions within one platform throughout our seven offices. Our online agent portal, OASIS, is fully integrated with ALIS allowing our producers to have faster access to quotes for commercial and personal lines. The final result is a quicker and more efficient service experience for our agency partners."

# FOR IMMEDIATE RELEASE

Naval Kapoor, President and CEO of I-Engineering said, "We are proud to have worked with Jimcor Agencies in providing them with the tools needed to ensure their continued success in the industry. We are committed to providing our clients with the highest level of customer service when using our innovative Agency Management Systems. With the use of our cutting edge systems, dedicated team of professionals, and ingenuity in bringing the insurance industry to heights unimagined, Jimcor Agencies has been able to transform the way they do business. It is very exciting for us to have been part of this process with them and we look forward to being part of their long term success for many years."

Jimcor Agencies is a growing and dynamic independent Managing General Agent / Insurance Wholesaler with access to over 150 admitted and non-admitted markets. With seven locations in New Jersey, New York, Pennsylvania, and Massachusetts, Jimcor has a national reach while maintaining a local presence throughout the Northeast. Jimcor's commitment to their clients makes writing business easy with quick turn-around time, access to markets, and people who are passionate about their clients.

For over fifteen years I-Engineering has worked with MGAs/Wholesalers/Program Administrators, and Carriers to implement customized P&C insurance software solutions that enhance productivity and speed to market. Our product offering includes an all-encompassing Agency Management System, Policy Management System for London, Program Administration System and customized Comparators for Commercial & Personal lines.

I-Engineering located in Shelton CT, develops and markets Integrated Insurance Solutions to provide MGAs and wholesalers with a modern, technologically friendly working environment. We have created and implemented a sophisticated collection of cutting edge insurance software solutions catering to Wholesale Brokers, MGAs, Program Managers and Carriers. I-Engineering's ALIS Enterprise System - an all-in-one solution - provides Rating with web services, Quoting, Policy Issuance and Management, Workflow and Document management and full Accounting. A sophisticated agent portal is integrated with ALIS to allow producers to get quotes on real time bases. This fully integrated system provides MGAs and Wholesalers end-to-end solutions.

I-Engineering is also a proud member of many P&C Insurance organizations including Target Markets, NAPSLO and AAMGA.
