

## Big I Advantage® Partners with I-Engineering to Create a New Market Access Platform

Shelton, CT, April 15, 2021 – I-Engineering, Inc. is pleased to announce that Big I Advantage®, a subsidiary of the Independent Insurance Agents & Brokers of America (the Big “I”), has selected I-Engineering to redesign its market access technology platform. Big I

Advantage® will utilize I-Engineering’s enterprise system, ALIS - the All Lines Insurance Suite and our newest solution, PUMAA - Policy Underwriting Management Agent Access system, as their technology foundation.

Mark Wolf, president of Big I Advantage®, is pleased to have partnered with I-Engineering. “We are excited to be working with I-Engineering to deliver a comprehensive and integrated system,” he said. “When completed, this advanced automation will provide accessibility to Big ‘I’ Markets agents for quoting and have a significant and tangible impact on how we do business.”

Naval Kapoor, President and CEO of I-Engineering, said, “We are very gratified to have been selected by Big I Advantage® as their technology base. I-Engineering is a full-service company with the experience and expertise to provide an encompassing technology suite to meet the needs of Big I Advantage® today, with continued service maintaining and growing their systems in the future. We are excited by this partnership, knowing that we share the Big I Advantage® commitment to providing the highest level of service and satisfaction.”

**About Big "I"**

*Founded in 1896, the [Independent Insurance Agents & Brokers of America](#) (the Big "I") is the nation's oldest and largest national association of independent insurance agents and brokers, representing more than 25,000 agency locations united under the Trusted Choice® brand. Trusted Choice® independent agents offer consumers all types of insurance—property, casualty, life, health, employee benefit plans and retirement products—from a variety of insurance companies.*

*Big I Advantage® is a for-profit subsidiary of IABA and wholly owned holding company that operates a nationally licensed insurance agency administering the Big "I" Professional Liability program, Big "I" Markets and a number of other well-known member benefits including personal umbrella and flood programs, and providing oversight of \$150 million in retirement assets. Big I Advantage® seeks to unite the 51 IABA state associations in pursuing IABA's mission of creating a sustainable competitive advantage for members by deploying member agency buying and distribution power to develop innovative, member-exclusive and profitable products while supporting the advocacy efforts of IABA.*

**About I-Engineering**

Since 1999, I-Engineering has worked with MGAs, Wholesalers, Program Administrators and Carriers to implement customized P&C insurance solutions that enhance productivity and speed to market. Our product offerings include an all-encompassing Agency Management System, Agent Access System, Policy Management System for London, Program Administration System and customized Comparators for Commercial & Personal Lines.

I-Engineering, headquartered in Shelton, CT, develops and markets Integrated Insurance Solutions to provide MGAs and Wholesalers with a modern, technologically friendly working environment. We have created and implemented a sophisticated collection of cloud-based insurance technology solutions. I-Engineering's ALIS Enterprise System – the All Lines Insurance Suite, provides Rating with Web Services, Quoting, Policy Issuance and Management, Workflow and Document Management and Full Accounting. A sophisticated agent portal is integrated with ALIS to allow producers to get quotes on a real-time basis. This fully integrated system provides MGAs and Wholesalers end-to-end solutions.

I-Engineering is a proud member of many P&C insurance organizations, including Target Markets, WSIA, CIWA, FSLA & TSLA. To learn more, visit [www.i-engineering.com](http://www.i-engineering.com).
