

## **Southern Insurance Underwriters, Inc. Goes Live with I-Engineering's ALIS Enterprise System**

A Next Level, Cloud Based Agency Management System Launched by an Elite MGA in the Southeast

**Shelton, CT, April 21, 2021** – I-Engineering, Inc. is pleased to announce the launch of the ALIS Enterprise System with Southern Insurance Underwriters, Inc., a premier specialty wholesaler serving the Southeast. SIU offers a broad range of products and markets to more than 2,500 independent insurance agents in Alabama, Florida, Georgia, South Carolina and Tennessee. Now utilizing the power and efficiency of I-Engineering's ALIS, the next generation Agency Management System, SIU has the speed to serve their business partners with the highest level of service and attention to detail.

ALIS's unique API and web service technology allows for integration to multiple platforms such as inspections, finance companies and e-signature processing, empowering SIU with a single solution for all their business needs. ALIS provides a fully integrated Rating Engine with Web Services, Policy Issuance and Management, Renewals, Endorsements, Cancellations, Reinstatement Claims, Workflow, Document Management and Reporting as well as a full Accounting Module.

Tripp Duesenberg, President of SIU, said, "For more than 50 years, SIU has been serving independent agents throughout the Southeast. We are thrilled to be live across our organization with the ALIS platform for our Commercial Property & Casualty business."

"The ALIS system, with its integrated web service capabilities to various E&S carriers, will streamline and provide the SIU team a quick indication functionality to multiple markets," Duesenberg said. "This powerful and comprehensive system allows SIU to serve our clients at the highest level, quickly and efficiently."

Naval Kapoor, President and CEO of I-Engineering said, "We are gratified to have Southern Insurance Underwriters using the ALIS enterprise system as their all-encompassing technology platform. Our priority is serving our client-partners with premier service, while providing them a comprehensive and intuitive management system to drive efficiency and productivity. We appreciate the opportunity to work with SIU to bring them a system that meets their needs today and will continue to grow with them in the future."

**About Southern Insurance Underwriters, Inc.**

Southern Insurance Underwriters (SIU) was established in 1964 as a Georgia corporation. Since that time SIU has grown to become one of the largest family owned MGAs in the country. SIU has a broad range of property, casualty, and transportation products and specializes in hard to place, specialty and excess & surplus lines risks. With an experienced staff of seasoned underwriters, the scope of risks that can be underwritten ranges from the most simple property risks to highly sophisticated self-insured programs.
