

## Amynta Group Partners with I-Engineering's Technology Platform Including Enterprise System ALIS

Shelton, CT, August 30, 2022, – I-Engineering, Inc. is pleased to announce that Amynta Group, a leading insurance services company, has partnered with I-Engineering's technology platform. Amynta will utilize I-Engineering's enterprise system, ALIS – the All Lines Insurance Suite. Amynta will leverage I-Engineering's agency management system, ALIS, to create a fully automated and completely integrated solution across its product offerings. ALIS is the next-generation agency management system, providing an entirely integrated Rating Engine with Web Services, Policy Issuance and Management, Renewals, Endorsements, Cancellations, Reinstatement Claims, Workflow, Document Management and Reporting, as well as a Full Accounting Module. This all-encompassing software platform empowers Amynta to streamline internal operations across their associations while they continue to build and grow.

Bob Schultz, Executive Vice President and Chief Organic Growth Officer of Amynta, said, "We have partnered with I-Engineering to deliver a comprehensive and integrated system to enhance the speed and efficiency of doing business. This advanced automation will have a significant and tangible impact on how we do business and deliver greater access to our distribution partners. We've launched ALIS across select Workers' Compensation and Excess Liability programs and look forward to our continued partnership with I-Engineering."

Naval Kapoor, President and CEO of I-Engineering, said, "We are very gratified to have been selected by Amynta as their technology base for select Workers' Comp and Excess Liability programs across their national platform. I-Engineering is a full-service company with the experience and expertise to provide an encompassing technology suite to meet the needs of Amynta today, with continued service maintenance and growing their systems in the future. We are excited by this partnership, knowing that we share the Amynta commitment to providing the highest level of service and satisfaction."
